Admiral Briscoe is prepared to do whatever is wanted re reception Royal party while in Naples. (Understand some such recommendation was sent US Embassy Rome today.) Only question relates to Admiral's position as NATO Commander, but this aspect need not be stressed.

Ground transportation can be provided by us without NATO connection.

Admiral requests earliest advice regarding extent of assistance and facilities Department wished. Also will need timely information re actual ETA of Saudia aircraft. Will Italians provide airport facilities or should US Naval Air Station become involved?
